Executive Committee
City Clerks Office

Attention: Blanka Zeinabova
Chairperson

Dear Ms. Zeinabova,

Subsequent to a telephone conversation with the Clerk’s Office I am writing this letter on behalf of Coquitlam Search & Rescue. As you may be aware our organization is called upon from time to time to support the Burnaby RCMP in conducting Search and Rescue tasks in Burnaby. We are conducting a campaign to raise the funding required to assist us with replacement of our aging Mobile Command Centre. The team’s current Mobile Command Centre, in which search and rescue activities are planned, implemented and managed, is 20 years old and due for retirement. The project schedule calls for the ordering of command centre components to begin in January 2015, with an in-service date for the new Mobile Command Centre of December 2015.

A pdf attachment with this email will provide you with an overview of our project. I would be pleased to provide you with our detailed project prospectus including information on the role and need for a replacement Mobile Command Centre, project budget, timeline and specifications.

I would appreciate an opportunity to make a presentation to your Executive Committee to outline project details, and to share some of our work in both our communities.

Please do not hesitate to contact me if I can provide you with further information.

Coquitlam Search & Rescue would be grateful for the Executive Committee’s consideration of our funding request.

Yours truly,

John Simpson

MOBILE COMMAND CENTRE REPLACEMENT PROJECT

Coquitlam Search & Rescue (SAR) has been providing emergency services in both urban and wilderness settings since 1972. The team operates under the authority of Emergency Management BC (EMBC) and performs inland water, wilderness and urban search and rescue in an area bounded by Indian Arm on the west, Pitt Lake on the east, Garibaldi Park to the north, and the Fraser River to the south. In 2013, Coquitlam SAR responded to 38 callouts for a total of 3,044 volunteer hours, resulting in the rescue or recovery of 29 persons.

The team's current Mobile Command Centre, in which search and rescue activities are planned, implemented and managed, is 20 years old and due for retirement. In addition to providing command centre capacity for the next 20 years, a new Mobile Command Centre will provide a more robust vehicle to meet the needs of one of the fastest growing areas of the Lower Mainland. It will have the capability to travel on more challenging roads and with greater fuel efficiency, transport additional field equipment, and enhance search and rescue management with new technology and additional floor space for work stations and briefings. Ordering of command centre components will begin in January 2015, with an in-service date for the new Mobile Command Centre of December 2015, at a total estimated cost of $407,300, including sales taxes and a 5% contingency.

FUNDING OF THE MOBILE COMMAND CENTRE REPLACEMENT PROJECT

Coquitlam SAR is reimbursed by EMBC for its operating costs, but the team is dependent upon fundraising for the capital cost of new vehicles and equipment. We are currently conducting a campaign to fund the replacement of the team’s aging Mobile Command Centre (MCC). A portion of the cost of the new command centre will be covered by the team through its own endowment fund and by the City of Coquitlam; however, substantial additional funding will be required to complete this project. By contributing to the financing of the Mobile Command Centre Replacement Project, you will be supporting enhanced command centre capability for Coquitlam SAR for the next 20 years.

Corporate donors to the Mobile Command Centre Replacement Project will receive the following recognition:

Dear Sid,

Thank you for your important commitment to girls in our communities, as a generous donor and a member of the Giving Circle. Your investment changes lives.

Each year we are excited to send you an update on what's happening at Big Sisters.

That's where I come in. I am Elyse and I am new to Big Sisters. In September, I joined the Big Sisters team as the Individual Giving Officer. As of October I became a donor, like you! I am excited to be a part of an organization that empowers girls by providing such important programs. I am proud to belong to something meaningful and to work alongside people who are caring and passionate about the work that they do. I am happy you are a part of our Big Sisters family too!

Thank you for your generous donation of $4,000.00 this year and for championing potential in girls across the Lower Mainland.

Let me tell you a bit more about myself and my path to Big Sisters. I began my non-profit career by chance in 2006 when I met a woman who worked in the sector and it opened my eyes. I realized that there are so many great people involved in the work charities and non-profits do. Non-profits create a community where everyone is a member of the family. As my appreciation grew, I knew that this was a place where I wanted to spend more time, and a family I wanted to get to know better.

I started my nonprofit career at The Greater Vancouver Food Bank Society, where I worked for almost three years before moving on to the YWCA. I made the switch because working for an organization with a focus on women or girls had become a dream of mine. After nearly 6 years at the YWCA it was an easy transition to Big Sisters.

Like Big Sisters, I believe in championing potential, and there is so much potential in the girls we serve. As a woman and a past women's studies student at Langara College I understand how important it is to believe in the potential of girls. It is an unfortunate truth that finding a positive and empowered path in society as a young person can be difficult. It is even more difficult if you feel alone. No one achieves success alone. I know that I didn't. I am lucky to have important women in my life who have been there for me through the ups and downs. Your donation to Big Sisters means that girls don't have to do it alone either.
This work inspires me. Each day I meet people, read stories and learn more about Big Sisters and how our programs change lives. I have learned that we have close to 100 girls on our waitlist, patiently waiting for a champion of their very own.

**Your donation helps us recruit and successfully match Big Sister volunteers with Little Sisters.** So, like you, I made an investment. I give an ongoing monthly donation that the organization can count on so that these girls can count on us. Big Sisters counts on your donations, year after year, to make sure hundreds of young girls all over the Lower Mainland have mentors in their lives.

I know that you are not only a donor but a stakeholder and champion in the amazing work of Big Sisters. I know that we have this in common. I hope that we get the opportunity to know each other better through Big Sisters’ and that I get to hear your story as a donor and committed supporter of Big Sisters.

**Thank you for starting something truly wonderful.**

If you have any questions about Big Sisters of BC Lower Mainland or if you would like to tell me your story or discuss your donation, please do not hesitate to contact me. We always love hearing from our generous supporters!

Thank you so much for contributing to the positive development of today’s girls, who will be tomorrow’s strong women. We couldn’t do all the important work we do without your valuable support.

With sincerest gratitude,
